

PRESENTATION

Research and education at Korea National University of Cultural Heritage

Time and date: 18 November, 9.00-10.00. Room: B51

Four colleagues from Korean National University of Cultural Heritage (NUCH) will visit Campus Gotland in November. The purpose of the visit is to discuss possibilities for collaboration in education and research. NUCH will give a public presentation of their research and education for interested parties. Welcome!

About NUCH:

NUCH:s objective:

“To nurture traditional culture experts who are equipped with both theories and practical applicability in creative inheritance and development of traditional culture and preservation, management and utilization of cultural properties”.
